"Mario Sports Mix" is a very good game. Almost all other games are compatible with Nintendo Wii. You can play the game on your home console with Nintendo Wii. This game is very good and it has a hard mode, so it gives you a lot of fun when you play it. I personally like it so much that is why it has almost all of my votes. Thank you for posting it here. There is a very good point in this game that you have to move your mouse ball over the screen all the time, I cannot play the game without moving my mouse ball over the screen. I like this game so much! You must do something to get those lives because you have to get at least one life each time you start the game. I was playing this game without any problems. It has almost all of my votes. Thank you for posting it here. I am using WII emulator and I was just able to download Mario Sports Mix ISO file. I am surprised that the game has a 3.3G file size and the game is completed. I have played this game before, but I do not know whether I am able to play it on my home console with WII. I have played it on my laptop and I feel that it is much harder to play. You must take the game off the game store
